Welcome to the Summer Newsletter!

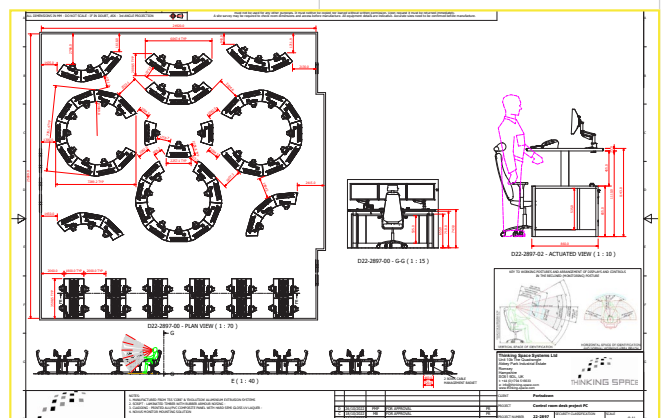

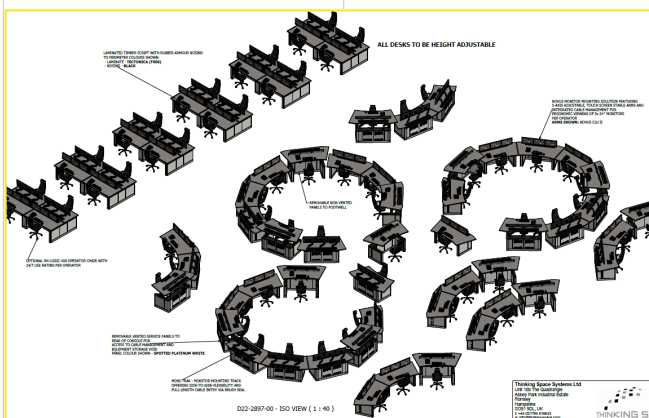

As the weather starts to warm up, we have pleasure in sharing our first Summer Newsletter of the year! We've had a busy period completing some great projects and recruiting new members to the Thinking Space and Kanya UK teams! We've also been celebrating the 20 year anniversary of Thinking Space Systems Ltd!!! Lots to celebrate over the years, thank-you to all of you that have been involved along the way. We hope you enjoy this edition.

Project Overview:

Thinking Space recently completed the control room furniture upgrade for the Hampshire Police emergency services control centre. The design included over 90 individual height adjustable consoles. The installation was completed in a single weekend. Well done to the install team, it looks fantastic!

Company Activities

Hawk Conservancy Day

Thinking Space's recent family day at the Hawk Conservancy was a particularly special day to celebrate the 20th anniversary of the company with 55 colleagues and family attending. There was a fantastic private display with the resident vulture who was very patient with everyone lining up to handle him! The day was finished off with a celebratory cake and bubbles.

Romsey Relay Marathon 21st May 2023

The sun shone down on this year's charity relay marathon event held at the Broadland estate in Romsey. We had 10 fantastic runners; Thinking Space colleagues and friends including our Managing Director, Wayne Palmer. A magnificent £980 was raised for our nominated charity - George's Trust which supports teenagers and young adults.
